

MIAMI-DADE COUNTY
BARRIER FREE HOUSING PROGRAM

Request For Qualifications

Miami-Dade County Department, is requesting applications from qualified contractors to serve as consultants and construction managers for the housing rehabilitation program for persons with disabilities, Barrier Free Housing Program.

Minimum requirements for the provision of these services include:

- Four-year college degree
- Minimum of three years (at least 6,000 hours) in each of the three areas of experience -- barrier free housing, design-assessment for person with disabilities, and construction management
- One of the following certification:
 - CEAC certification (certified environmental accessibility consultant)
 - ATP certification (assistive technology practitioner)
 - Licensed engineer or architect, interior designer
 - A certified allied health professional

Applicant must include knowledge of and experience with accessibility standards, including the Florida Accessibility Code and the ADA Accessibility Guidelines. In addition, applicant must have the experience and knowledge to expertly identify the accessibility needs of persons with disabilities and provide economical product and design options, including CAD drawings, and solutions to meet those needs. Qualified professionals will also be expected to oversee all construction and work with client, contractors and funding source to ensure all work is conducted according to the assessment, state and local building codes.

Qualifications may be submitted to:

Miami-Dade County
Department of Human Services, Disability Services
1335 NW 14th Street
Miami, Florida 33125

Miami-Dade County provides equal access and equal opportunity in employment and services and does not discriminate on the basis of disability. "It is the policy of the Miami-Dade County to comply with all of the requirements of the Americans with Disabilities Act."
